

2009 Historic Cemetery Grants

Heritage Programs Division, Oregon Parks and Recreation Department

Project Location

	<i>Project Sponsor</i>	<i>Project Description</i>	Grant	Match	Project Total
Benton County					
CG-09-01	<i>Benton County</i>	An entrance sign, two directional signs and a three panel interpretive kiosk will be placed at Crystal Lake Cemetery.	\$4,000	\$20,536	\$24,536
CG-09-05	<i>Community Services Consortium</i>	Santiam Wilderness Academy students will clear brush, remove a downed tree, and document the markers in the Claypool/Parrish Cemetery for future preservation projects.	\$1,839	\$4,687	\$6,526
Clackamas County					
CG-09-10	<i>Gleason Cemetery</i>	About 25 trees in the cemetery will be trimmed for their health and preservation of markers.	\$2,800	\$2,450	\$5,250
Coos County					
CG-09-04	<i>Catching Creek Cemetery</i>	The project will provide GPS coordinates for all publicly accessible cemeteries in Coos County. It will also create a web-based cemetery map and transcription of Catching Creek Cemetery, incorporating GPS coordinates and providing printed versions of the same to local libraries, mortuaries, genealogy clubs and museums. The process of developing this tool will also be shared with other organizations wishing to conduct similar mapping projects and shared with the Oregon Commission on Historic Cemeteries.	\$380	\$799	\$1,178
Douglas County					
CG-09-02	<i>Bland Mountain Cemetery</i>	A cemetery sign will be purchased and installed at Bland Mountain Cemetery.	\$300	\$896	\$4,183
Jackson County					
CG-09-07	<i>Friends of Jacksonville's Historic Cemetery</i>	An original iron fence and gate that encloses Block 459 in the Masonic Section in Jacksonville's Historic Cemetery will be restored and preserved.	\$1,006	\$654	\$1,660

	<i>Project Sponsor</i>	<i>Project Description</i>	Grant	Match	Project Total
Klamath County					
CG-09-12	<i>Klamath Falls</i>	The City of Klamath Falls Parks and Cemeteries Department in conjunction with a volunteer group from several local historical societies, will document and restore monuments at Linkville Cemetery. Priorities include restoration of monuments; leveling and repair of leaning and toppled monuments damaged by vandals approximately 10 years ago; and repairing concrete curbs and covers.	\$4,000	\$7,870	\$11,870
Lane County					
CG-09-13	<i>Luper Cemetery</i>	Volunteers will reset, clean and repair markers at Luper Cemetery. Volunteers will be trained by hiring contractor to provide one day training for approximately 12 volunteers. For larger repairs or replacement of markers (where they are missing), a contractor will be hired.	\$4,000	\$5,300	\$9,300
CG-09-14	<i>Mulkey Cemetery Association</i>	The project will create a new brochure for the cemetery, for distribution at the front entrance and online, describing the cemetery's history and landscape and providing current contact information.	\$1,000	\$1,150	\$2,150
Linn County					
CG-09-03	<i>Brownsville</i>	Two large, dead trees in the middle of the cemetery that will damage headstones if they fall will be removed.	\$1,500	\$500	\$2,000
Malheur County					
CG-09-19	<i>Westfall Cemetery</i>	Funds will be used to replace the north fence line, repair the gate, rebuild a gravesite fence and repair about 30 toppled markers at Westfall Cemetery.	\$2,000	\$2,000	\$4,000
Marion County					
CG-09-11	<i>Hayesville Historical Cemetery</i>	About 20 markers will be leveled and glued of markers by a contractor who will also train volunteers in the repair of small markers.	\$720	\$0	\$720
CG-09-17	<i>Salem</i>	The England Family plot, circumscribed by a stone retaining wall, will be repaired and enclosed monuments stabilized.	\$4,000	\$16,126	\$20,126

Project Location

Multnomah County					
CG-09-08	<i>Friends of Lone Fir Cemetery</i>	This project will develop and launch an interactive, multpage website with workshop and event information, membership and volunteer opportunities, several maps, downloadable self guided tours, historical information and news and links.	\$2,660	\$5,494	\$8,154
CG-09-15 \$5,335	<i>Oregon Historic Cemeteries Association</i>	The funds will help the Oregon Historic Cemeteries Association produce a newsletter with a state-wide distribution of about 850, three times in 2010.		\$2,340	\$2,995
CG-09-16	<i>Oregon Jewish Museum</i>	The Oregon Jewish Museum will complete a unique oral history film initiative that seeks to record the memories of the elders of our community while visiting the graves of their friends and family.	\$3,500	\$3,542	\$7,042
Umatilla County					
CG-09-06	<i>Confederated Tribes of the Umatilla Indian Reservation</i>	The Cemetery Management Team of the CTUIR will document the graves of the Red Elk Family Cemetery, repair the outer fence, repair and reset headstones, and trim and remove overgrown wild rose bushes.	\$3,481	\$11,205	\$15,452
Wasco County					
CG-09-18	<i>The Dalles</i>	Funds will provide historically compatible fencing to complete the east property line of the historic cemetery, as well as a new railing for the stairs at the main entrance.	\$1,000	\$1,000	\$2,000
Washington County					
CG-09-09 \$1,700	<i>Genealogical Society of Washington Co.</i>	The burial records of the Hillsboro Pioneer Cemetery will be recorded and electronically organized for the use of the cemetery and the public and for incorporation into the OCHC statewide burial index.		\$850	\$850
Grand Totals			\$41,376	\$88,055	\$133,182
